

FOR IMMEDIATE RELEASE

PUFF CANNABIS DISPENSARY OF MICHIGAN TO GIVE AWAY OVER 1700 TURKEYS FOR THANKSGIVING

GIVEAWAY TO TAKE PLACE NOVEMBER 18th 11AM-1PM

STURGIS, MICHIGAN – When Justin Elias launched Puff Cannabis in 2019, his goal was to sell high-quality cannabis products at a fair price and to make sure he had the most educated and customer service-oriented staff. Puff Cannabis has since grown to 7 cannabis dispensary locations throughout the state of Michigan in just 3 years, with 3 more locations opening in 2022, and plans to open an additional 5-10 locations in 2023. Throughout all of this, Elias has stayed true to his core values on all levels.

Now, Puff Cannabis is giving away over 1700 turkeys to people in need for this year’s Thanksgiving Holiday. With 7 locations in Madison Heights, Utica, Bay City, Hamtramck, Traverse City, Oscoda, and Sturgis, 3 more locations opening in 2022, plus an additional 5- 10 opening in 2023, Puff is continuing to expand. Elias harkened back to his childhood and thought about the importance about family and the Thanksgiving holiday. Elias said, “Thanksgiving is the time for all families to come together, to celebrate and be thankful for what they have, but to also think about others who are less fortunate. That is why I decided on behalf of the Puff Cannabis company we would give away over 1700 turkeys in the communities where we are located.”

Distribution details:

Friday, November 18, 11am – 1pm

Puff Sturgis, 651 Wade Rd., Sturgis

Turkeys will be given away on a first- come first- serve basis. No purchase necessary.

Founder Justin Elias and Co- Owner Nick Hannawa are available for interviews. **Advance and day of media requested.**
